

Accepting applications for an Operations Specialist

### WATER SYSTEM OPERATIONS SPECIALIST

Brookings-Deuel Rural Water System is seeking a self-motivated individual whose duties will include, but not be limited to, plant operations, pipeline maintenance, construction of pipeline, equipment operation, GPS equipment and GIS network, customer relations, basic computer operations, alternating standby duties, emergency response and other assigned tasks.

Requirements include a high school or equivalent education, securing a State water certification within eighteen months, securing a Commercial Drivers License within 12 months, a clean driving record, good people and communication skills, basic math skills, mechanical and electrical aptitude, ability to perform heavy lifting, climbing, and working in close confinement conditions. Preference will be given to applicants who hold Water certifications and/or a CDL.

Competitive hourly wage depending upon experience and qualifications. Excellent benefit package including medical, dental, vision, retirement, long-term disability, cafeteria plan, vacation, sick leave, and paid holidays.

Interested parties can call 605-794-4201 to request an application or download at [www.bdruralwater.com](http://www.bdruralwater.com). Applications and/or resumes must be submitted to the Brookings-Deuel RWS office or mailed to Brookings-Deuel RWS, PO Box 340, Toronto, SD 57268 by May 24, 2024.
